

## Sixths

Add the finger numbers below. Notice that you always have an “extra” white note between thumb (finger 1) and pointer finger (finger 2).

*RIGHT HAND:*

*LEFT HAND:*

*You can play this pattern anywhere on the keyboard, using only white notes. The pictures here use the A as the lowest note.*

*Try it on the piano, then choose any other white note as the lowest note and play again. What sounds the best to you?*
