

GROUP 2

All the Black Keys
B, Gb and Db scales

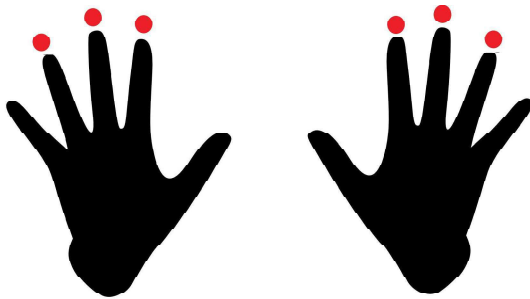

These keys ...

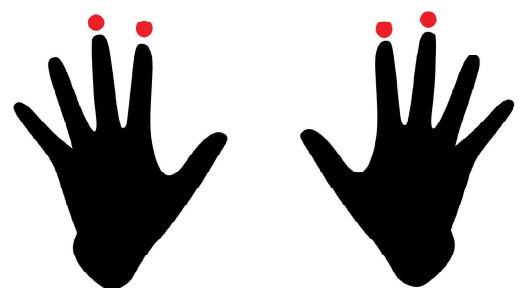

These keys ...

... use these fingers.

... use these fingers.

... and your thumb plays any white keys

EXCEPTION: one of these three scales uses a finger other than the thumb for one of its white notes.

Which scale? _____

PRACTICE INSTRUCTIONS:

Play the black keys up and down the piano, lifting and moving your finger/hand/arm unit. Keep the gentle curve in your fingers.

When you can do this with ease, add the thumb playing any white keys.
